SWIFT'S PRODUCE REVIEW

The increased make of butter as noted in last week's review continues and there is some accumulation of stocks in the selling markets, resulting in lower markets for butter and butterfat.
Poultry receipts are smaller and prices are higher. A good demand for live fowl is expected on account of the approaching Jewish holidays. Egg prices are on a lower basis than last week, due to a surplus in excess of current requirements. Some eggs are being placed in storage, but so far, the price has been too high to create much interest.

THE BANZAI JAZZ

Japan has started in with characteristic thoroughness on the Nipponizing, so to speak, of the former German Pacific Islands over which she is the mandatory. All the natives were required to join in the recent anniversary of the founding of the Japanese dynasty. "The exercises closed," reads the report, "with the singing of the Japanese national anthem, everyone joining, including the native children, who had been taught the words and music in the Japanese schools." The league theory of mandates was that the countries would eventually be turned back to their native owners. Does anybody suppose that these islands will ever become the property of any other country than Japan?

THROW OUT THE LINE

Give Them Help and Many Wauseon People Will Be Happier
"Throw Out the Line"—Weak kidneys need help. They're often overlooked—they don't get the poison filtered out of the blood.
Will you help them?
Doan's Kidney Pills have brought benefit to thousands of kidney sufferers. Wauseon testimony proves their worth.
Mrs. H. Trimble, 521 E. Chestnut St., Wauseon says: "Many years ago I had trouble with my back. Sometimes sharp pains caught me and it felt as though someone stuck a knife into my back. My kidneys didn't act as they should and caused me annoyance. I didn't feel well mornings and all strength seemed to leave me. After I had taken Doan's Kidney Pills a short time, my back felt stronger and I had no more trouble with my kidneys. I am bothered but very little by my kidneys now. When I do have trouble, I take a few Doan's and have never yet had them fail to help me."
Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Trimble had. Foster-McMillan Co., Mfrs. Buffalo, N. Y.

Banish Pain

THERE is no use talking—no one can work or play when they are not feeling well and strong. Life, without health and strength, is a mere painful, pleasureless existence.
One of the most important conditions of good health is to keep the kidneys normal and active. When weak or deranged, they do not filter out of the blood the impurities that should be eliminated from the system. When these impurities remain, the blood stream is poisoned and pain and suffering result.

Foley Kidney Pills
aid and assist Nature. They strengthen and invigorate weak or diseased kidneys and help them keep the blood stream pure and clean, banishing backache, rheumatic pains, stiff or swollen joints, sore muscles, and other symptoms of kidney trouble.

W. E. Fox, 195 W. Washington St., Noblesville, Ind., writes: "After suffering for months with kidney trouble, and after having tried other remedies for the same, I purchased and took Foley Kidney Pills and took them. They not only did me more good than any other kidney remedy I ever used, but they positively set my kidneys right. Other members of my family have used them with similar results."
